35LIVE!
35mm Multi-Camera Production

A VER proprietary exclusive: 35LIVE! It's a new and innovative *Cine Workflow* in a multi-camera *Broadcast* environment. Film-style, large sensor camera systems are the key to the look and feel of this solution. Rick Carpenito has led our specialty team through many successful live event productions, where the look and feel of cinema met the power and immediacy of broadcast television. 35LIVE! is a proprietary VER technology, and a one-of-a-kind, complete cine/broadcast fly-pack solution. You won't find this one anywhere else!
